In the G.O. cited, sanction has been accorded to the conversion of the post of one lower division clerk of the office of the Assistant Director of Fisheries, Mangalore into that of a typist clerk. The Deputy Director of Fisheries(South) says that the office of the Assistant Director of Fisheries, Mangalore is badly in need of a typewriter and a Roneo duplicator as it is reported that due to the Reorganisation of the Department, the Assistant Director of Fisheries, Mangalore has to deal with 28 fish curing yards, 27 fisheries schools, 3 Inspectors of Fisheries, Fishery Demontrator, one Assistant Fishery Demonstrator, 2 section Sub Inspectors and 8 Deep Sea Fishing Demonstration centres and that every time nearly 70 copies of the circulars have to be taken for communicating them to his subordinates and thus resulting in great difficulty. To save time, economy and perfection of work, the Assistant Director of Fisheries, Mangalore requires a typewriter with a long cylinder for typing statements and a Roneo machine to take copies of circulars.
